

ASSOCIATION INTERNATIONALE DES VILLES MESSAGÈRES DE LA PAIX INTERNATIONAL ASSOCIATION OF PEACE MESSENGER CITIES

Dear Mr Manuel Herranz Martín,

Thank you very much for your letter and for presenting this important international initiative on behalf of the Human Unity Movement (HUM).

We have received with great interest the Call for a World Conference on Reconciliation, Peace and Disarmament, as well as the accompanying documents. We also confirm receipt of the revised endorsement document that you have kindly submitted for our consideration.

This initiative is closely aligned with the principles and objectives of the International Association of Peace Messenger Cities (IAPMC), particularly with regard to promoting peace, reconciliation, dialogue, international cooperation, and the meaningful role of cities in building a culture of peace.

We therefore welcome your initiative and wish to express our support in principle for the Call for the convening of the World Conference on 30 May 2027, within the framework of the United Nations. We believe that such an initiative can provide an important opportunity to strengthen international dialogue and to mobilise cities, organisations and institutions around the shared goals of peace, reconciliation and disarmament.

With regard to the proposed endorsement by the IAPMC, we would be pleased to **invite you**, as the founder and coordinator of the Human Unity Movement, **to attend the forthcoming General Assembly of the IAPMC, which will be held in Limassol, Cyprus, from 2 to 5 December 2026** and organised by our member city and current IAPMC President, Morphou.

Your presence at the General Assembly would provide an important opportunity for you to personally present the initiative to the representatives of our member cities, explain its objectives and proposed framework, and share your vision for the World Conference and its further development.

Following your presentation, the General Assembly will have the opportunity to discuss the initiative and consider the formal adoption of the proposed endorsement by the IAPMC.

.....

We also see your participation in the General Assembly as a valuable opportunity to explore opportunities for cooperation between the IAPMC and the Human Unity Movement, with a view to supporting this initiative and advancing our shared values.

We congratulate you on undertaking this important initiative and assure you that the IAPMC holds in high regard every effort that contributes to the promotion of a global culture of peace and cooperation.

Thank you once again for reaching out to us. We sincerely hope that you will be able to join us in Cyprus, and we look forward to welcoming you to the IAPMC General Assembly and to continuing our constructive dialogue and cooperation.

Yours sincerely,

Victor Hadjiavraam

President

International Association of Peace Messenger Cities (IAPMC)
